The Arizona State Retirement conducts educational meetings available to all members. Whether newly hired and wanting to learn more about the retirement system and benefits or nearing retirement and needing assistance in completing the proper paperwork and making annuity selections, the ASRS Member Services Division has a meeting for you.

Meetings are conducted throughout the year in the ASRS Phoenix and Tucson offices and throughout the state during spring and fall.

Getting Ready for Retirement Meeting: This meeting is tailored to those who plan to retire within 12 months. Members will receive individualized benefit calculations and learn about potential monthly benefits and options, completing retirement paperwork, health insurance and return-to-work options.

Know Your Benefits: This meeting is open to all members and is especially helpful to new members. Information about the ASRS plan will be provided, along with a review of member responsibilities, wills and trusts, Social Security benefits and overall retirement income planning.

This meeting also includes an overview of the Service Purchase program and how it can benefit those who qualify. Members will learn about the process, types of service purchase, cost calculations and payment options.
